*evening meal on Thursday night included. Sunday night dinner can be added at an extra cost.

Driving each morning, followed by tastings in the afternoon

4 DAY EXCLUSIVE GIN TOUR

DAY 1

Arriving late afternoon, you are welcomed with a Gin and Tonic reception and your experienced team, who will be with you for the entire experience looking after your every need. After everyone is acquainted, the evening concludes with a private dining 3 course meal.

DAY 2

An early start with a tasty breakfast followed by a quick briefing where you will receive your roadbook and driving information, in preparation for your first morning drive around the beautiful Cotswold hills. A coffee break at a traditional country pub, then it's back on the road to see more wonderful countryside views. Our morning drive concludes by arriving at the Sibling Distillery in Cheltenham where lunch will be served.

A short drive to our hotel to park the cars before heading over to Brennen and Brown Distillery where you spend the rest of the afternoon distilling your very own bottle of gin with a choice of over 40 botanicals. Whilst your gin is distilling, you will be taken on a ginspirational tour followed by gin tasting before collecting your unique bottle of gin to take home. Then a brief trip back to the hotel where dinner will be served.

DAY 3

After breakfast it is time for a leisurely morning drive through the North of the Cotswolds to arrive at the Cotswold Distillery for coffee and a gin tour. Then we head South to a picturesque Cotswold pub on the bank of the river Thames for lunch. After a relaxing morning exploring the gorgeous countryside, it is straight to the hotel to park the cars and prepare for the evening entertainment. This evening you will be dining on your very own private cruise on the Thames, accompanied by a live Jazz band with a Gin reception from the local Hobb's distillery.

DAY 4

The final day begins with a morning drive through the Chiltern Hills bringing us to the famous Bombay Sapphire distillery for a coffee at the Mill Café. A meandering drive around the North Wessex Downs brings us to The Bell in Ramsbury. This is a small village pub which is connected to the Ramsbury Estate and has its very own gin distillery. From here we make our final scenic drive back to the start hotel where the team will wave you goodbye at the end of the gin tour experience.

Each guest will also receive a gin related gift as a memento of the event.

A UNIQUE GIN EXPERIENCE!
